Since the Tallinn Declaration in 2017, open source technologies, communities, and methodologies are becoming more and more important in the public sector.

The Kangaroot services, from advice, to implementation and support, can help you in achieving your new IT challenges.

It is our goal to unlock open source technology and open source innovation for the public sector. We establish this by maintaining a portfolio of public tenders & partnerships.

What's in it for you?

- ◆ Enterprise-grade support
- ◆ No tender process – fast time to market
- ◆ Very competitive pricing
- ◆ Easy to order
